根据Cinderella Academy披露，这个女团是通过娱乐来推广一个理念：虚拟币并非投机工具，而是创造美好未来的科技手段。

当然，这样做有个好处，即虚拟货币化，比如女艺人的演出门票或者商品都接收虚拟币支付，那么公司收到的虚拟币回报率可能远高于现金。

以Ripple币为例，下图是过去1个月其对美元的走势，涨幅有点吓人啊：

The image shows a dark green rectangular area with the text "NEXT MIN" centered in white. The text is in a stylized, sans-serif font. The "N" and "M" are larger and more prominent, with the "E" and "I" being smaller and positioned between them. The "A" and "N" are also larger and positioned to the right of the "I". The overall appearance is that of a logo or a title for a section.
