

Huobi Global's Major Shareholder Completes Share Sale

On October 8, 2022, the controlling shareholder of Huobi Global, reached an agreement with About Capital Management (HK) Co., Limited ("About Capital") to sell its entire shareholding in Huobi Global. Upon completion of the transaction, the buyout vehicle of About Capital will control the majority stake in Huobi Global. The transaction only involves the change of controlling shareholder and has no impact on Huobi's core operation and business management teams. According to About Capital, post transaction Huobi Global will embrace a series of new international brand promotion and business expansion initiatives, including a global strategic advisory board led by leading industry figures, the injection of sufficient capital in margin and risk provision fund, as well as measures to further enhance competitiveness. Upon successful implementation of the initiatives, Huobi Global will be well positioned to provide first-class trading and investment services to international investors.

Please note that Huobi Global completed its exit from mainland China business on 31 Dec 2021, including the closure of all mainland China user accounts. Users of Huobi Global from mainland China who have not completed their asset withdrawal can check and withdraw balance via www.huobi.info on PC following instructions.

GLOBAL CHINA

而在Huobi Global官宣这一消息后不久，火币创始人李林在朋友圈发文表示，已经将旗下股权转让与香港百域资本（About Capital），并对过往九年的客户与伙伴，以及自己的经历表达了感谢。

李林原文：

说声再见

就在刚才，完成了Huobi Global的股权转让及资产交割事宜，这标志着，百域资本（"About Capital"）旗下基金成为Huobi Global的第一大股东和实控人，我不再是Huobi Global的股东，也不直接或者间接拥有Huobi Global的任何权限。

火币从我创办至今历时九年，是一段难忘的经历，感谢这九年中支持我们的客户和合作伙伴、陪伴我的火伴和亲朋好友们。道由白云尽，春与青溪长。我相信更具有国际资源和全球化视野的百域资本能够为Huobi Global的全球化进程带来全新动力，带领Huobi Global开启下一个征程！
